

# ASPECT ATMOSPHERE EXTERNAL MESH

**SHANN**

Designed for optimal visibility and superior glare, UV and heat reduction, the stunning Aspect Atmosphere mesh window fabric is available in 18 designer colours and two convenient widths.

Atmosphere is treated with anti-bacterial and anti-fungal treatments to keep it looking good and performing better, for longer.

Atmosphere is formaldehyde free and carries certification to the strict Oeko-Tex® Standard 100, ensuring there are no harmful chemicals or substances used in their production.

## Aspect Colours

NB: Please be aware that a slight colour difference between the brochure and fabric may occur.
